

Seminar Timetable

No.	Date & Time	Company	Title	Speaker	Room Number
1	June 27 13:00-14:00	Thermal Dynamics Plasma Cutting Automation	Cost Factors in Automated Plasma Cutting	Dirk Ott VP of Plasma Automation	N4-M45
2	June 27 13:00-14:00	ESAB Welding & Cutting Products	ESAB Advanced Engineering Automation Solution - HLAW - FSW	Steven Zhu Sales Leader of Capital Goods	N5-M48
3	June 27 14:00-15:00	ESAB Welding & Cutting Products	High-productive Membrane Wall Welding Technology	Jack Gu Director of Segment Sales China	N5-M48
4	June 27 15:00-16:00	ESAB Welding & Cutting Products	ESAB High-productive Filler Metal Solution to Automotive Manufacturing Industry	Leo Liu Sales Leader - China Consumables	N5-M48
5	June 28 10:00-11:00	ESAB Welding & Cutting Products	Arcair SLICE - Your All-purpose Tool for Fast Entry and Rescue. Quickly Cuts Through!	Jeff Henderson Global Arcair Product Manager	N5-M48
6	June 28 10:00-11:30	Zhuhai Cowin Welding Equipment & Consumables Co., Ltd.	Equipment and New Technology Development of Fully Automated Pipeline Welding	Mr. Jin Haicheng Pipeline Research Institute of CNPC, Deputy Director of Welding Institute Michael Eberhard Sales Manager of Perfect Welding in East Asia FRONIUS International GmbH	N2-M42
7	June 28 11:00-12:00	ESAB Welding & Cutting Products	STOODY Filler Metal - The Best Choice of Extreme Abrasion Resistance for Oil and Mining Industries	Wukun STOODY Technical Application Engineer	N5-M48
8	June 28 13:00-14:00	ESAB Welding & Cutting Products	The Research and Application of ESAB Rotating Arc Transfer (SAT) Technology	Dennis Liu Sales Leader - China Welding Equipment	N5-M48

9	June 28 13:00-14:30	Wuxi Hualian Science & Technology Group Co., Ltd.	<p>1. Efficient Intelligent Technology for the Structural Welding Field</p> <p>2. The Design & Application for the Intelligent Welding Workshop</p> <p>3. IGM Cases for the Intelligent Welding Workshop</p>	<p>Ren Le Chief Engineer</p> <p>Yang Nianji Technical Director</p> <p>Huang Junyi Deputy Technical Director</p>	N5-M47
10	June 28 13:00-14:30	Zhuhai Cowin Welding Equipment & Consumables Co., Ltd.	Fronius TPS/i Intelligent Welding Machine, Perfect Solution of Robot Aluminum Welding System	Mr. Yang Xiu Rong Vice General Manager Cowin Welding Company	N2-M42
11	June 28 14:00-15:00	ESAB Welding & Cutting Products	ESAB Pipeweld Orbiter -The Most Valuable and Cost-efficient Solution to Oil & Gas Pipeline Contractor	Allen Su Segment Sales Manager China	N5-M48
12	June 28 15:00-16:00	ESAB Welding & Cutting Products	VBA Technology and Its Application	Ronnie Wang Sales Manager China Cutting Automation	N5-M48
13	June 29 10:00-11:30	Zhuhai Cowin Welding Equipment & Consumables Co., Ltd.	<p>Manufacturing of Nickelbase -Overlays: Comparison of Various Welding Technologies under Consideration of Clad Properties</p>	<p>Mr. Philip Song Representative of China International Nickel Association</p> <p>Ken Zhang Ph.D. Commercial & Technology Manager Special Metals Welding Products Company</p> <p>Michael Eberhard Sales Manager of Perfect Welding in East Asia FRONIUS International GmbH</p>	N2-M42

14	June 29 12:00-17:00	American Welding Society (AWS)	<ol style="list-style-type: none"> 1. Introductions of AWS Staff, Certification Agents 2. Section Activity and Mentoring 3. Factors affecting business relations between USA & China 4. International Approaches to the Qualifications of Welding Inspection Personnel 	<p>Jeff Kamentz Corporate Director - International AWS</p> <p>John Bray President AWS</p> <p>Kenneth Jarrett President American Chamber of Commerce in Shanghai</p> <p>Jeff Hufsey International Consultant AWS</p>	E7-M38
